

Sports Premium Report 2018-19

In April 2013, the Government announced new funding to improve the provision of Physical Education (PE) and Sport in primary schools. Every Primary school receives a block amount plus an additional sum based on the number of pupils on roll. The money must be spent on improving current provision and providing sustainable PE and Sport. Schools are free to determine how best to use the funding but must work towards: – improving the quality and breadth of PE and sport provision (both in the curriculum and extra curriculum) – increasing participation in PE and sport so that all pupils have an opportunity to take part – developing healthy lifestyles and reach the performance levels they are capable of The PE Premium Funding provides an excellent opportunity for the school to further improve its PE provision.

Intended spend 2018-2019			
Grant received - £19,050			
Total number of pupils on roll		402	
Summary of grant spending 2017/18			
Objective	Activity	Cost	Intended impact
To reintroduce swimming as part of our curriculum	Year four students to attend swimming lessons at the local leisure centre.	£1488 a term	To make sure children have an awareness of water safety and the basics of swimming.
To introduce a healthy cooking class for students and parents	The Vice Principal to lead healthy cooking sessions.	Parents will subsidise cooking materials	To encourage parents and children alike to eat healthier.
Improve provision of sport and PE	Employ specialist PE teachers to deliver outstanding lessons in a wide range of sports. Develop CPD for targeted staff.	£23,400	Structured approach to PE. Expertise that is shared for development of others. Involved range of after school clubs. A broader approach to the curriculum.
Improve attainment in	Measuring and		To see higher levels of skill

PE	tracking progress using cornerstones objectives and DC-Pro.		in children.
Improve monitoring of PE delivery.	PE coordinator release to provide quality feedback from observations and action planning.		Tracking of PE assessment improved so quality interventions can take place.
To give pupils wider access to quality sports	Variety of ports offered both in PE lessons and as afterschool clubs.		Get children interested and participating in sport to further widen future life choices.
To give pupils performance opportunities	Increase participation in local competitive sports.		Improve social skills, develop an understanding of working hard to improve. Develop perseverance and resilience.
Pupils to develop a lifelong commitment to being active.	Bring an awareness of wide variety of sports available to all abilities as they go through life.		To ensure children have access and knowledge of the less known sports they can access to keep active.
To encourage a healthier lifestyle through diet and exercise.	To model the importance of healthy and active living by participation in sporting activities.		Give a platform for future healthy living.
