

Fiona Edwards

I am a Learning Support Assistant within Ravens Academy. I started my journey 5 years ago as a Mid-Day Assistant, I then progressed to Nursery and EYFS and am currently working in Year 2. My role is to support the children's learning needs and implement interventions where needed. I also give support to children with emotional needs helping them with their self-esteem and confidence. I really enjoy my role as it is very rewarding. I am also a parent within the school as I have children in KS2 and EYFS. I have a level 3 in child care and have completed various training since joining Ravens Academy.

Mr Ricky Spriggs

I am the School Pupil Premium Governor, a post which I have held since September. I have been a Year 4 teacher for the last 3 years based at Ravens Academy. Prior to my classroom teaching role, I was the PE teacher for 2 years at Ravens Academy. My role within the academy has changed recently. Last year, I helped to restructure the Staff Association and was Chair for a year. After a successful year, I decided to step down and give someone else the chance of being at the helm. Now, I am committing my time instead to the Pupil Premium Governor role, which I'm excited to continue growing in.

Claire Fletcher

I joined the Academy Transformation Trust Governing Board in 2018 as a Parent Governor while my daughter attended Ravens. In this role, I made regular visits to the school and supported the children through attending award assemblies, spending time in class and attending Governor meetings.

I stayed on as a Community Governor when my daughter left Ravens and have recently been appointed as the Health and Safety Governor. With my previous school experience and my NNEB, I have a strong understanding of the importance of maintaining a high level of health and safety across the site to ensure the safety and wellbeing of all students is upheld.
