## Principal's Welcome

Welcome to the new Ravens Academy, sponsored by Academy Transformation Trust. We are very proud of each of our children and we continue to work hard to inspire every pupil in our academy to succeed and develop.

We are committed to providing a safe, friendly learning environment and our dedicated, creative staff team respond to all of our children's needs enabling them to achieve their full potential.

We want the children who attend Ravens Academy to leave us in Year 6 with the skills and positive thinking needed to achieve their ambitions and to lead happy, successful lives.

We hope you find this prospectus helpful and thank you for your interest in our academy – I am sure you will agree that we indeed provide exciting opportunities for all.

## Our Academy

At Ravens Academy, we are a friendly, welcoming academy committed to achieving together.

We work alongside children, their parents and the wider community to provide a rich and rewarding education for all of our learners.

As children thrive when they are doing well, children at Ravens Academy experience a full range of activities that give them a chance to grow, not only academically but also socially, spiritually and physically.

We have high expectations of all of our children and high priority is given to quality teaching of a balanced curriculum. This is based on clear principles that our children will be:

- Ambitious and hardworking
- Creative
- Able to work collaboratively and independently
- Critical thinkers and able to solve problems
- Confident and responsible users of learning technology

We have developed an exciting curriculum which is relevant to today's children so that each child is motivated and challenged and can aspire to the highest level of personal achievement.

## Our Community

At Ravens Academy, we make every effort to involve parents, carers and the local community in all aspects of academy life and ensure all children's progress is shared in a fully inclusive way.

We like to celebrate the success of our academy's pupils with our community. This includes an achievement assembly every Friday where all parents are most welcome to join us.

We also enjoy relationships with those in our local community that enrich the learning experiences we offer all children. This also extends to the role our Community Governors have with the academy.

## Academy Clubs

A range of clubs will help your child to enjoy sport for fitness, fun or as part of a team. While recognising and rewarding exceptional talent, we value teamwork and enthusiasm.

We have a number of opportunities for sports and the arts, and for the green fingered a gardening club.

At Ravens Academy, our Breakfast Club helps children kick start their day with a healthy breakfast with a wide choice of food and drink. The club starts daily from 7:45am Monday and Wednesday and 8:00am Tuesday, Thursday and Friday. Details are available from our website and the academy office.
