Dear Parent/Carer

MESSAGE FROM THE PRINCIPAL

Dear Parents

It's hard to believe that we are coming to the end of week 4 of Lockdown and confirmation came earlier this week that schools would not be reopening until at least Monday 8th March.

We fully understand that juggling family commitments, home learning and, for many of you, working from home is a daunting task. However, we still have a responsibility to support all our children with their education, so we ask that even with the youngest children you do your best to at least log in to Zoom and join the daily live lessons or collect the work packs which are available every Friday.

We hope that next week even more of our children are accessing at least some of the home learning. We will continue to monitor this and check in with families, where we have had no contact, to offer what support we can.

Mrs V Rose

Principal

ZOOM CALLS

Once again please can parents be reminded that when your child is on zoom any chat in the background can be heard by the other children so please be mindful of this when your child is online.

Also please make sure your child is wearing suitable clothing whilst on zoom as other children and their families can see your child whilst online.

Can parents please make sure they are in suitable clothing if they are going to be in the background of the zoom call.
