### **Year 2 Home Learning**

Please see below the wonderful work that Year 2 have been doing at home.

# FACE MASKS

## How to put a face mask on properly

Hold the mask by the ear loops and place a loop around each ear.

Mould or pinch the stiff edge to the shape of your nose.

Pull the bottom of the mask over your mouth and chin.

## How to remove a face mask properly

Thoroughly wash your hands before and after touching your mask.

Avoid touching the front of the mask. Only touch the ear loops.

Hold both of the ear loops, gently lift and remove the mask.
