Dear Parent/Carer

MESSAGE FROM THE PRINCIPAL

Dear Parents

There is no perfect substitute for teaching in our classrooms, with our talented and dedicated staff, but we have tried to mirror our current broad curriculum in the best way possible. We provide links to a number of resources to support your child's learning which are available on our website. We continue to improve our remote education offer as we monitor and evaluate the growing body of advice available from OFSTED, the DFE and other research. It is great to see more pupils joining in the live sessions on Zoom and also collecting Home Education Packs.

All school laptops, including those that are on loan to your children from either the school or the DFE, are monitored remotely by our Online Safeguarding partner - Esafe. In addition, we urge parents and carers to monitor your child's online activity outside of Zoom lessons as not all activities are safe and those that are determined to 'groom' young children are very clever at making it look like a site is legitimate. Also, some of our older students can get themselves wrapped up in situations of on-line 'bullying' by thinking no one is watching. Although the school website is secure and any activities sent to you by staff are checked, please keep an eye on games and 'chat' so that these situations do not occur and cause distress.

Next week is the last week before we break for half term. Friday 12th February is a staff training day and school will be closed to all pupils. There will not be any remote education that day and Home Education Packs will need to be collected on Thursday.
