

# Ravens Academy Newsletter

Dear Parents

An update on the pandemic. We are experiencing increasing staffing absence as a result of positive cases, which means that your children may not have their regular adult for a short period of time. I would ask for your patience with this; we will always try and provide consistency of staffing, but it is not always possible. There has also been an increase in cases among the children in some classes as there have been in schools locally and nationally. Thank you for your continued support during this time.

Mrs V Rose

Principal

## Valentines Film Night Wednesday 9th February

We will be holding a Valentines film night on Wednesday 9<sup>th</sup> February for KS1 and KS2. The films showing will be onward and inside out. Children will go straight to the classrooms at the end of the day to watch the films and will need picking up at 5:30pm. The cost is £5 per child and this includes a hot dog, popcorn and a drink. We have limited numbers due to health and safety so can only have 30 KS1 and 30 KS2 children attending this therefore this will be first come first served basis. Please pay by cash at the school office.

## World Book Day

We will be taking part in World Book Day on Thursday 3rd March. Children can come to school dressed as their favourite book character.

## Food Bank Vouchers

The last couple of years have been very difficult for lots of people both emotionally and financially and we understand that some families are struggling due to this. If you feel that you need some help we have some food bank vouchers that we can give to anyone struggling to feed their family. If you feel this would help your family please come into the school office where we can issue one of the vouchers for you.

## Parking

Please consider local residents when parking to drop off/collect your children at school. Please park considerately and avoid blocking driveways and footpaths.

## Age appropriate Video Games and Television Programmes

It has been brought to our attention that some of our children are watching and playing inappropriate video games and television programmes. Please can we ask that as always you monitor your children's viewing very carefully as we worry about the long term effects of exposure to this content.

## Menu W/C 31st January 2022 Week 2
