Dear Parents & Carers

Wow another week has passed and the children are working really hard on their topics this term.

This week children were introduced to V.I.P.E.R.S. which covers our reading skills and hones our questioning skills

It's so nice to be able to have parents in to the Hall of Fame again to celebrate with their children their success. I'm proud that we are having so many children getting their bronze certificate for reading over 35 times.

This half term we have been looking at writing our narratives and making our punctuation really accurate. We need to remember to include !, ?, noun phrases, apostrophes for contraction and possession, in our writing.

We have used VIPERS for our reading skills . Ask your child what VIPERS means.

We have starting multiplication using multiple groups and arrays. We have to know our 2,5 and 10 times table for year 2.

Read to Succeed

Once a week the class teacher will check the diary to see how many times it has been signed by a parents (or child in upper Key Stage 2). When they have read 35 times, the children will earn their first reward. They can then start working towards their next reward.
