NEWSLETTER

Dear Parents,

Welcome back to the summer term.

Firstly, thank you to all the parents for embracing our new times, it has been really good to see the children coming in so enthusiastically at the earlier times (gates are open 8:25-8:35) and the feedback from children regarding this so far has been positive.

Many of our children began new topics this term, it has been great to see the learning around the school, from Reception practicing their number bonds of ten this week, to Year six who are getting themselves ready for SATs which are only a week away.

Our Fridays always begin in school with a celebration assembly and this week it was great to celebrate new children to the school who have joined and settled well, as well as our children who show our Ravens values of being Respectful, Aspirational, Valiant, Encouraging, Nurturing

and Successful. Well done to those that received their certificates!

Safeguarding

As you may already be aware, the Netflix series Adolescence has been widely discussed over the last few weeks. The show provides a powerful, and at times difficult, look at the digital pressures young people face online and the role parents have to play in their digital wellbeing.

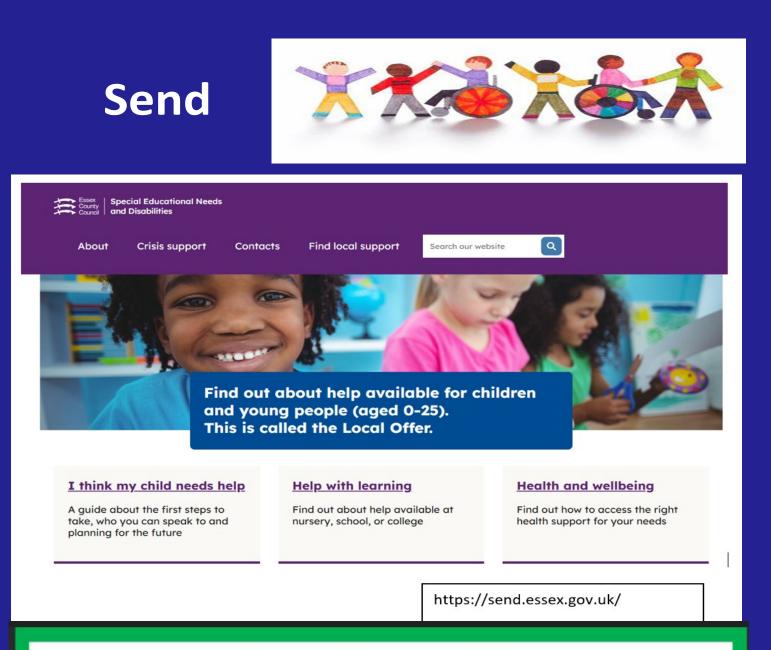

Free Parent Resources

To help, we've created a **resource page** you can pass on to your parent community. It's packed with practical advice, conversation starters, and useful insights to help parents navigate the various challenges the series brings to light.

From setting boundaries around screen time to processing upsetting online content, the resources are designed to give parents the tools and knowledge to take the next steps in supporting their child's digital wellbeing.

How Can Parents Access The Resources?

If you think it could be helpful for your parent community, simply share this link with them: **https://smoothwall.com/adolescence**

How to help your child:

- Remind them they are not to feel worried or pressured about SATS. All we ask is that they try their best, SATS should not be causing anxiety. Do give lots of encouragement and praise - we do!
- Help with the organising of homework and support their reading for pleasure activities.
- Encourage them to have early nights and a good breakfastwe do provide the breakfast during SATs week but some children may wish to have their regular one too.
- Please speak to any of us if you have questions or concerns.
