A message from our Principal

We are really proud of our Year 6 children, they continue to try their hardest, getting themselves ready for not only their SATs, but ensuring they have the necessary skills to support them in life. Well done.

Thank you to all our Year six children for sharing their pupil voice so that their end of year celebrations are not only for them but are what the children want. The children have requested a 'Rav Fest' and shared their own thoughts as to how this might look.

We know many parents are keen to purchase end of year hoodies, last year the PTA funded these and we are hoping we can carry out a bake sale that can contribute towards the cost. More details will follow on this!
