A message from the

PRINCIPAL

Dear parents/carers

Firstly, well done to our year one children who have been having their phonic checks this week, they have shown what phonics they have learned, and we have been really proud with how far they have come from the beginning of the year. At the same time Year four have also been taking part in an assessment - the Multiplication Check - well done to you all as well. Across the school we have been practising our times tables using a programme called rolling numbers. This used raps and rhythm to help the children remember their times tables.

Lots of parents have been asking about sports day, this year we are leading a sports week with lots of activities across the school. More information will be coming to parents on this but our week begins on the 7th July.

Finally, we would like to congratulate Mr Parry who has secured a new role and will be leaving us at the end of the year. We are currently in the process of recruiting a new teacher!
